Prune Crop Estimated 33% Less Than 1954

The 1955 prune crop in the Campbell, Los Gatos, Santa Cruz mountain area is expected t obe about one third less than was the 1954 bumper crop, according to Richard Azevada a field buyer. The crop in the area has been estimated at 10,170 dried tons as compared with 15,089 dried tons yielded in 1954.

The crop is not as heavy this year due to strong north winds and the long, cool Spring weather which caused some of the blossoms either not to set or to be blown away.

The Campbell o-operative Dryer, largest in the world, processed 15,391 green tons of prunes in 1954, while in 1953 it processed 12,146 green ton and in 1952, processed 7,322 green ton. It is expected that around 10,000 green ton will be processed in the coming season.

The apricot crop is better than last year. Azeveda estimates 8,000 dried ton for this district based on a June 16 estimate. There will be from 210 to 230 ton of fresh apricots packed throughout California.

The crop in the foothills is ripe and picking has already started. A few ranches have started picking in Campbell and by Monday the harvest will be at its peak. Hail did some damage to apricots in some areas, Joseph Gomes on Hamilton avenue being one orchardist whose crop was hit.

Mark Purmort Has 24-Year Record In Kiwanis Club

Mark Purmort was given a gold pin for 24 years continuous attendance with the Campbell Kiwanis Club, while Ray Mathis received a 16 year pin, Herb Shadle a 12 year pin and Oliver Jensen a two year pin at the meeting Tuesday noon, the presentation being by James Arends of the attendance committee.

Wayne Fontes was named captain of the Kiwanis Club softball team which accepted a challenge from the Campbell Rotary Club.

Program chairman for the meeting was Clarence Nelson who introduced M. Brown of British Motors who spoke on sports cars and sports car racing.

A joint meeting with the Santa Clara Kiwanis Club is scheduled for July 26 at Marianas.

City To Have Own Building Inspector Soon

The office of city building inspector is being set up in Campbell, effective on October 1, 1955, so that permits may be issued locally and inspection made on the local level. At present, the permits are made through the office of the County Building Iispector.

Dorothy Trevethan, city clerk, said yesterday that she is taking applications for this full time position, the qualifications being a knowledge of the uniform building code and building experience.

Teachers To Transport Voters To Polls Thursday

Sam Reed, new principal of Campbell High School, said today that Saturday is the last day for absentee ballots to vote in the Campbell High School District Tax Election next Thursday. All ballots must be post-marked not later than Saturday. Anyone wishing to obtain a ballot or needing information can contact the school.

Baby sitting and transportation to the polls will be provided by the high school teachers all day Thursday. Anyone needing either or both should call the school where they are to vote and the necessary service will be supplied.

Police Working On Rifle Range

Work started this week on the teen-age 22 rifle range on the grounds of the Western Gravel Company which the Campbell Police is sponsoring for 12 to 18 year old boys. The grounds have been leveled and the next step will be the construction of shooting stands and boxes and the target back-stop, according to Patrolman Darrell Rachford, who was range instructor while serving with the U. S. Marines.

Rachford says the Gravel Company has leveled the ground and the Southern Pacific has donated 40 railroad ties for the backstop and has delivered them to the range. Saturday he hopes to get started on the backstop and, if he can get hold of some lumber, the shooting stands and boxes. He could also use some help in the construction and asks any interested fathers to contact him or leave word at the police station. He would like to get the range operating within the next two weeks.

So far, 15 boys have registered for the program and Rachford says he can handle about 10 more. He has contacted the Campbell Sporting Goods Shop and they have agreed to sell him all the necessary ammunition wholesale which the boys will need. This saving will be passed on to the boys.

The boys will be instructed in safety handling of guns and target shooting. Each must furnish his own gun and ammunition.

Any boy interested should have his parents contact the police department.

ROTARY HEARS STUDENT SPEAKER

Cel Gerevas conducted his first meeting as president Monday when the Rotary Club held its regular weekly luncheon. Bill Maderis was chairman of the day.

Guest speaker was Robert Du Rard, a senior at Bellarmine Prep School and its student body president who placed 5th in a national speech tournament held recently at San Jose State College. Young DuRard used as his subject: "The Constitution: Safeguard of Our Democracy", and went on to explain that other countries had tried a form of democratic government in the past but the United States and England are the only two countries where it has been successful.

County Sales Tax Study Next Mon.

A meeting with State Senator Jack Thompson, Assemblymen Bruce Allen and Clark Bradley is scheduled for Monday by the Santa Clara County Board of Supervisors to talk about the proposed county-wide sales tax. The City of Campbell is on record as opposed to any such sales tax.

The supervisors deem this to be a permissive measure.

The meeting with Thompson, Bradley, and Allen will be the board's first step in making a study of the ramifications of the bill. Under the measure, which would bring the total sales tax to 4%, cities which make agreements with the county would share in the county tax collected within their limits. The county would retain all of the tax from unincorporated areas.

Income from the tax, if adopted by Santa Clara county, is estimated to range upwards from one-half million dollars per year.

SCHOOL ATTENDANCE AT NEW HIGH RECORD IN CAMPBELL AREA

Average daily attendance at schools in the Campbell area soared to new high figures for the 1954-55 term just ended according to R. Eugene Arnold, county director of school attendance.

Campbell Union High school attendance increased 16% in one year, 1846 to 2131, while enrollment in the nine grammar schools of the Campbell Union Elementary School District increased to 4,455 from 3,972 or a net gain of 482.

Of the 4454 total the ADA for Campbell Elementary was 882, Cherry Lane 327, Cypress 436, Dover 357, Hamilton 546, Moorpark 703, Quito 321, Rosemary 383 and San Tomas 498.

Cambrian school went from below 1000 to 1312 in one year as also did Uunion school climb from below 1000 to 1152. Moreland increased from 800 to 964 in one year.

RADIO STOLEN FROM TV SHOP

Campbell police are searching for two men of Mexican extraction who stole a portable radio valued at $49.95 from the Standard TV Shop Monday about 2:30 p. m.

The owner told the police that after the two men entered his shop one engaged him in conversation while the other made off with the radio.

Campbell Planners Approve

Shop Center Zoning On West Campbell Avenue

The Campbell Planning Commission approved by 4-1 vote Thursday evening, the commercial zoning of a 6.7 acre portion of the 55 acre tract at West Campbell avenue and San Tomas Aquina Road for the El Rio Development Company, balance of the tract to be zoned first residential. Pearce Davies in behalf of the applicants predicted that this would eventually become one of the major intersections in Campbell. He said 229 homes are to be built on the remaining portion of the 55 acres within 18 months, that a school is projected for a contiguous area to the west, and that Hamilton avenue is to be extended west from Winchester road to intersect San Tomas Aquina Road then veer south west to to join Campbell avenue. He pictured the La Ranchita and other projected subdivisions adjacent as likely to set up added buying power for this neighborhood shop center. He said it would be 7900 feet distant from the nearest existing store and that provision is being made for a drug store, a market, doctor and dental offices and other shops.

Hollis Logue, planning commission chairman saw a possibility that land owners facing the proposed new shop center might want their lands zoned commercial for the same reason as recently presented by those on the east side of Winchester at Latimer. He also wondered why the dual zoning application was being submitted, whereas the usual process is to zone R-1, then apply for a C-2-S after development is well under way.

Planning Consultant Nestor Barrett said this simplified the procedure under definite planning.

Commissioner Kenneth Priestly mover for zoning and was supported by commissioners L. W. Harmon, Ted Solari and J. A. Tomlinson with Logue casting the negative vote.

The planners set August 4 as the date for hearing application of Ivan Kucich of Sunnyvale and Joe Giannini of Santa Clara for a change of zone from M-1 to C-2-S on the west side of the Los Gatos-San Jose highway 1450 feet north of Campbell avenue with 300 foot frontage and extending to the Los Gatos Creek. It is understood that Kucich plans to erect a restaurant on the property.

Planners declined to act on permit application of Camp and Sondero, contractors to set up horizontal dry wells in place of a holding pond on the north portion of the Sunberry Garden subdivision. It was held that the function of the planners was to approve the map and of policy matters, but adequacy of drainage is a specialized matter, so it was referred back to the city council for advice from the city engineer.

The application of Rosilio Stroppa for change of zone from R-2 to M-1-S for the old Hunt cannery pumphouse property which he now owns, was approved. Stroppa will use it for a warehouse and display room for his tile business.

Planners studied a map of Sierra Western, Inc for 34 lots on the east side of Leigh avenue at the Arroyo Seco intersection where a 34 lot subdivision is proposed and expressed no opposition.

Architectural approval was given the building for Lee Brothers Market in the Rice Shopping Center at Winchester and Latimer.

Planners authorized Nestor Barrett, planning consultant to prepare memoranda on drawings and plans for the convenience of applicants seeking architectural approval.

Johnny Oldham Named On Spartan Hall Of Fame

John Oldham former Campbell High School pitcher, now with the Seattle Raineers of the Pacific Coast League, was one of thirteen former San Jose State athletes added to the Spartan Hall of Fame, according to S. G. Hartranft, committee chairman. The Spartans chosen completed their eligibility in 1954 and 1955 and will join 100 others previously selected for this honor.

Others selected were Tom Louderback and Charlie Hardy, football; Carroll Williams, basketball; Dick Brady, baseball; Norton Thornton, water polo; Irv Faria, gymnastics; Mickey Miramonte, and Ed Kreyenhagen, track; Dick Francis, wrestling; Dick Bender, boxing.

TOM CASEY RESIGNS AS C of C HEAD

Thomas J. Casey on Tuesday submitted to the Board of Directors for the Campbell Chamber of Commerce, his letter of resignation which is to be acted on at a meeting next Tuesday evening. Casey in his letter states that while he had been assured of full cooperation to accomplish necessary functions of the Chamber of Commerce, the subsequent called meetings have not brought out quorums so that business could be transacted.

RACHEL'S GETS A NEW LOOK

Rachel's shop has achieved a "new look" this past week. Painters have been busy wielding paint brushes and covering the walls with a soft green color which enhances the silver grained wood of the display counters and showcases. A new muted multi-colored rug has been laid and an aquarium of guppies added for interest which the customers may view while seated on a nice comfortable sofa.

The re-decorating gives an illusion of spaciousness to the shop and has been finished just in time for the big annual summer sale which begins today.

Police Nab Teen-Age Burglars

Held in custody at Juvenile Detention Home are two teen-age Campbell boys and another from San Jose who have admitted to police they were responsible for the burglarizing of four Campbell Schools and the theft of two cars the past week.

Campbell police say the trio admitted breaking into the Campbell Grammar School twice, the cafeteria at the high school where they threw candy bars around, Hamilton School, and the Little League dugout at Rosemary where they stole cokes. The boys say they used the stolen cars for transportation to and from their burglaries. They range in age from 13 to 16 years.

Wisconsin Club Picnic Sunday

Wisconsin Club of Northern California will hold its 3rd Annual Picnic Sunday, July 17th, starting at 11 a. m. at Lovely Glen Park, 12 miles South of San Jose on Almaden Road.

Former Badgers attending are requested to bring their own picnic lunch and service. Coffee and ice cream will be served by the club.

Square dancing, games and a swimming contest will be the feature attractions at this annual picnic, where many former Wisconites may find their former neighbors by using the County registry provided by the club.

Church Having Rummage Sale

A three day rummage sale will be held by the Congregational Church at 124 N. Market next week on the 21st, 22nd and 23rd of July from 9:30 a. m. until 5:30 p. m.

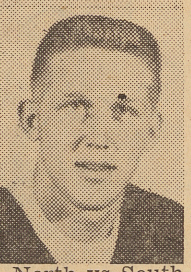
Anyone who has rummage to donate can either contact the church, Mrs. L. O. Faulkner at FR 8-4383, or Mrs. Helen Story at FR 8-7247. Pickup can be arranged.

All proceeds from the sale will go to the new church building fund.

Rummage depot is the cabin in the rear of the home next to the church.

Mrs. Jack Silberbauer of 87 East Rincon, who is five feet 2 inches tall, stands beside a hollyhock in her back yard that has already attained a height of 13 feet and is still growing.

Gary Lukehart Is Leaving To Play In Prep All-Star Game



Gary Lukehart, a two-time All-SVCAL tackle for Campbell High School is leaving tomorrow for Los Angeles for opening drills at Whittier College preparatory to the 4th annual Shrine North vs South Prep All-Star football game July 27 at the Coliseum. Richard McNeil of Santa Clara High School, another SCVAL two time selection will be the only other representative on the north team from Santa Clara County.

Dick Bass, a running star from Vallejo looms as one of the stars of the all-star game, according to Los Angeles newspapers, but Lukehart is mentioned as an outstanding tackle among prep schools of California who will be trained to give interference for Bass when given the ball to run with. Lukehart and McNeil are to report to Co-Coaches Chuck Butler of Alameda and Tony Knapp of Pittsburg.

For the South All-Star team the co-coaches will be Jim Bluett of Manual Arts and Aaron Wade of Centennial high schools.

Woman Is Named PRESIDENT OF SARATOGA C of C

New president of the Saratoga Chamber of Commerce is Mrs. Hugh Purcell of the Swanee Dress Shop. who was elected Monday evening at a meeting held in Bank of America building there. Other officers elected were Stewart Mingo vice-president; James Allen, board secretary and Mrs. Theodore Rosenfeld, treasurer.

The merchants committee is meeting tonight when a new chair-man is to be named. An installation dinner will be held by the Chamber of Commerce later in July.

Bond Issue Proposed

City Budget Before Council On Monday

Plans are expected to be announced officially at the city council meeting Monday for a bond issue to be called next Fall covering costs of a city-wide storm drainage system, street improvements and civic center facilities.

Mayor Richard Morton said the 1955-56 budget to be presented Monday will propose the bond issue, showing contingencies for both income and expenditures which would result from successful passage of the bond issue.

The civic center may be set up on North Central avenue if the city negotiates purchase of the Congregational Church property near the fire station. The Church has property at Campbell and Carlyn avenue on which to build when the other property is sold. The church observed its 66th anniversary at this location this year. If sold to the city, it would be conditional that the stained glass windows given in memory of founders of Popular Mechanics magazine who were members of the church, might be removed to the new church.

Tentative plans for remodelling would be to include offices for the city clerk and building inspector, putting the police department in the basement, and using one of the upstairs rooms for Council and and Planning Commission meetings. Site for a fire station on West Campbell avenue and for a corporation yard south of Gilman avenue are also to be considered in the tentative budget.

Campbell People Serving On Chest Budget Committee

Mrs. Howard C. Payne and Edward F. Tablak, of Campbell, will represent this city on the budget committee of Community Welfare Council of Santa Clara County, it was announced yesterday by Everett D. Myers, budget committee chairman.

The Council's budget committee, known as the "watchdog" of the Community Chest, will review budgets of individual Red Feather health and welfare agencies at a series of conferences with agency representatives during July and early August.

The Campbell Chest, which joined the Community Welfare Council last winter, will be included in the Red Feather campaign to be conducted this fall by the Council, and Campbell's Red Feather agencies will draw support from the Council next year.

Meyers said yesterday that requests from all Red Feather agencies to be included in the coming campaign total $482,645. Last year at this time, requests to the Council for Chest support totaled $407,756. At conclusion of the campaign, the sum of $314,195 was available for allocation to the agencies. This was an increase of 14 per cent over the previous year.

Budget material from all Chest agencies is being assembled in preparation for review by the Council's budget committee during July and August, and the financial needs of each Red Feather service will be studied in relation to the needs of Community Chest area as a whole.

Meyers pointed out that current allocations to Red Feather agencies are far below needs.

"Red Feather budgets are prepared carefully by agency boards whose members are responsible citizens," he declared. "The requests submitted by these boards reflect real health and welfare needs. Despite the 14 percent increase this year, the allocations to Chest services fall far short."

"The County's population is growing rapidly and the demand for health and welfare services is increasing. However, the community's willingness to give has not kept pace. We hope for an awakening of civic consciousness in this respect."

The area to be served next year by Red Feather agencies which draw support from the Community Welfare Council includes San Jose, Campbell, Santa Clara, Alviso, Milpitas, Cupertino, Monta Vista and 20 neighboring communities.

Waste Material Causes Fire

A fire caused by spontaneous combustion of waste material in the basement of a house at 124 Dillon brought a hurry-up call to the Fire Department last Thursday evening. Two pieces of equipment responded to the call and had the fire under control in short time. Damage was minor.

Firemen were called earlier in the evening to extinguish a grass fire on the corner of Budd and Virginia Avenues.

Kiwanis Winners Pony League Title

With Doug Kersey pitching one hit ball, the Campbell Kiwanis won the first half Pony League crown Monday by shutting out Western Gravel 1-0 in a play-off game Monday on the High School diamond.

Kersey fanned 7, walked 4 in five innings, while Joe Blum, the Western Gravel hurler, fanned 10 and walked 7.

Kiwanis scored in the third when Doug Freeman singled to bring in Eddie Ford.

Adventists Open Camp Meeting At Soquel Tonight

Soquel, Calif.—Seventh-day Adventists will open their annual 10-day Central California Conference camp meeting at 7:30 tonight on an 80-acre site at Soquel, five miles northeast of Santa Cruz.

D. E. Venden, of San Jose, recently elected Central California Conference president, will open the camp meeting and welcome members from 18 counties who will attend. Keynote address will be given tonight by C. L. Bauer, of Los Angeles, president of the Adventist Pacific Union Conference and highest ranking member of the church on the west coast.

Approximately 8,000 people are expected to attend camp meeting sessions which will continue through July 23. Six-hundred family tents have been pitched to house delegates who will attend for full session. Hundreds of house trailers will be utilized also. Facilities to care for all the needs of delegates have been prepared including provisions for meals and medical care.

While the camp meeting is in session, all Adventist churches in central California will be on a light schedule to allow as many members as possible to attend the camp sessions. In some areas Adventist services will be suspended, with entire congregations attending camp meeting.

Campbell Archer Places Third In State Meet

Mrs. Betty Manfre, of Latimer Avenue, placed 3rd in the Class A division at the State Archery Meet of the California Bowmen and Bowhunters Association which was held uly 2 and 3 at the Redwood Bowmen's range in the East Bay Regional Park.

Mrs. Manfre was entered in the bare bow division and made a total of 84 shots in three rounds consisting of target, hunter and broadhead.

San Tomas Postal Station Bids Open

Ira Grim, Campbell Postmaster, said today that proposals will be received to July 23 for someone to carry on the contract station at San Tomas for the period August 15, 1955 to June 30, 1957.

Mrs. Louise Peoples who now has the contract, has notified the Postmaster that she will be unable to continue it as she is "expecting".

EDITORIAL

PROGRESSIVE ANNEXATIONS

There ought to be a law against progressive annexations which have become the plague of Santa Clara County. It seems that this sort of thing has gone far enough.

We are not being facetious about it, for there is too much at stake. There are too many district lines being pushed here and twisted there. There are laws, to be true, setting up annexation proceedings, and basically these laws are good ones. They are being abused.

Annexation has become big business. The reasons enumerated for the annex have become meaningless. Annex is big business because strong cities hire a staff whose duty is to plot new areas, find ways of getting them and schedule follow-up annexes.

The law designates that if a score or less voters live on the land that it may be deemed uninhabited. Specialists find ways of avoiding voter tenancy lands. They take an uninhabited strip and annex it. In due time they take steps to annex land contiguous to that strip and keep repeating the process until city limits sprawl in all directions. We call that hop, skip and jump annexation. It could, under extreme circumstances, go on from one county line to another, and we would like to see the law that says it could not.

Campbell and some of the other cities of Santa Clara County have waited the pleasure of landowners to petition for annexation, and therefore our boundary lines follow a uniform pattern.

There ought to be laws against this hop, skip and jump annexation that is deliberately planned and progressively executed by specialists.

AN ASSEMBLYMAN SPEAKS

Assemblyman Bruce Allen expresses himself in no uncertain terms concerning the veto by Governor Knight of the appropriation bills for beaches and parks, because included were the Coe Ranch, Anderson Reservoir and the Palo Alto Yacht Harbor in Santa Clara County, the Butano Forest in San Mateo County, beaches in Santa Cruz County and others all over the state.

He says that each project was heard separately and approved separately by one or more committees of the legislature. These were combined into one bill to defeat a small group of state senators who opposed the Governor's tax program, but who managed to get their proposal for a new state park at Lake Elsinore included in the budget bill in free conference which the Governor signed.

The money for these beaches and parks is held in separate funds set aside by the legislature for this purpose and it comes from oil production on state-owned tidelands.

Assemblyman Allen says that veto of these bills means that the Santa Cruz Lumber Co. may cut down virgin redwoods in the Butano forests, that the people who use Anderson reservoir for fishing and boating shall do so without access roads, picnic tables or sanitary facilities and that some deplorable conditions must inevitably develop at the Folsom and Monttecello reservoirs.

He reports that the legislature approved the program for the people by two-thirds vote in each house.

The Governor has stated the lumping of this park and beach development plan into an omnibus bill was hastily conceived and that it set up no priorities for the various beach and park acquisitions.

The fate of these projects should not hinge on this veto and most particularly that of Butano forest. Too many organizations in northern California have heard in the last twelve years about this beautiful stand of virgin redwoods, waterfalls, rare flowers and ferns, to let it go to the woodsman's ax. There is simply no comparison in beauty between Butano and Lake Elsinor, a windswept body of water with barren background.

The state can and should start condemnation proceedings for Butano forest as an emergency measure. There are many people ready to roll up their sleeves to fight for its preservation and right now is the time to do it.

RAILROAD CENTENNIAL

Just 100 years ago the first rails were being put down for the big, puffing iron horse that was to be the Sacramento Valley Railroad, oldest portion of the Southern Pacific Company of today. Those were the days of the "Big 4" industrialists, who at the time were gambling with the future of California. They were staking everything that railroad service would aid in the economic development of the west, and how right they were!

A special bi-colored cachet is to depict progress of the Southern Pacific Company in the west commemorating August 9 the trail to rail parade of transportation on the original line.

An all-day exhibit of historical equipment will be one of the principal events at the centennial. Included among the exhibits will be: "C. P. Huntington," locomotive of 1863, V&T "Genoa" of 1873, "Sierra Railroad pioneer coach" and the private car, "Gold Coast" designed to resemble one of Leland Stanford's private cars of the '70's.

The Campbell Gambol

CHERRY TREES on the east side of the Los Gatos-San Jose road south of Hamilton avenue that have furnished such luscious fruit for the last several years are being yanked out of the ground this week, stacked and made ready for burning, so as to clear the 12-acre site for the two million dollar Hamilton Plaza Shopping Center being set up for Eugene Kuehnis, Joe Perucci, Don Stone and Frank DiNapoli . . . . prune trees also are to come out when the crop is harvested at the 55-acre Del Rio subdivision newly annexed at the northwest corner Campbell avenue and San Tomas Aquina Road, and some 125 acres more of prune trees will come out after the harvest in August to allow for development of another subdivision east from San Tomas Aquina Road, between Campbell and Latimer Avenues reducing the prune acreage . . . while there seems to be a drop in this crop the acreage in strawberries is decidedly on the increase around Campbell with a bumper crop that is going mainly to freezers . . . the berry acreage increased from 1745 in 1953 to 2250 in 1954 and over 2400 acres in 1955 in the Santa Clara Valley according to Agricultural Commissioner figures, cherry acreage increase from 2672 in 53 to 2754 in 54, apricot acreage reduced from 14940 in 53 to 14586 in 54 while prune acreage was cut from 42,262 to 41,160 in 1954, the returns from fruits and nuts being $44,835,821 and for vegetables $9,750,862 in 1954, the biggest drop of all though being in livestock being squeezed out by lack of pasturage, high feed costs and low prices.

WHEN I was a boy down in Los Angeles, I remember having been taken by my father to see the Bill Cody show when old Buffalo Bill was to be seen in person . . . I suppose that to me that name was just as well fixed on my mind as a historical hero as Davy Crockett is to the boy of today . . . I remember Buffalo Bill Cody riding out on an Indian pony, his white beard pointed to his breast, eyes sparkling, then as he drew his revolver little clay balls were shattered as fast as thrown in the air . . . after this another rider raced down the arena path, and as the horse circled about and balls seemed going in the air in all directions Dad Lee pulled guns from both holsters and smashed just about all of them, so far as I can remember and I came away like many others that he was the sensation of the show . . . and just the other day John Lynden came in with a little piece about Dad Lee coming back to Campbell on his 97th birthday and wanting to spend the rest of his days here, the same Dad Lee who thrilled me and thousands of other American boys umpty-ump years ago, and who now makes his home on Winchester Road.

Dad Lee, Now 97, Is Here To Stay

by John Lynden

No more from Campbell will he stray,
Dad Lee returned as we can see,
He loves our climate and doth say,
That here, from now, he'll happy be.

Through many years, in every town,
With Cody's shows he did his part,
His humor stays and ne'er a frown,
And he's as keen as at the start.

When Cody shot glass balls from space
Dad soon learned to do as well
For he was quick and not a trace
Of how it's done, 'tis secret still.

Once more a happy birthday, Dad,
This is our wish we say
And may your heart be always glad,
Because you're here to stay.

PRISCILLA CIRCLE OF QUITO CHURCH

The Priscilla Circle of Westhope United Presbyterian Church had its June meeting at the home of Mrs. Hazel Estell, which was highlighted by a report by Mrs. Mildred Pitman about Southern negros. Mrs. Julia Nicolls discussed propaganda used in liquor advertising, and Mrs. Beulah Murdock reviewed the Bible Study.

The next meeting will be at Mt. Hermon, for the Synod meeting. The program begins at 9:00 a. m. on July 21. A picnic lunch is planned, followed by an afternoon social period, with child care provided. Those who wish transportation are invited to call Mrs. Niccolls at FR 8-7696.

VACATION BIBLE SCHOOL TO START IN QUITO

Westhope United Presbyterian Church in Quito will start its Vacation Bible School on Aug. 1st, and will continue through Aug. 12. Sessions will be from 9 a. m. until 12 noon, with a closing program presented the evening of the last day.

According to the July Church Letter, "The nautical idea will be carried out in all age groups starting with the youngest Kindergarten class of four year olds through the Junior High age. There will be fun for the whole School with crafts, handwork and liberty recreation along with fine spiritual studies."

People are asked to save the following articles for handwork: blunt scissors, string, sea shells, shoe boxes, light cardboard, small paint brushes, tooth brushes, clothespins, empty round salt boxes, oatmeal boxes, crayons and pencils. Rhythm band instruments such as bells, rattles, triangles, drums and cymbals are also needed.

Some of the volunteer teachers and helpers who will be on hand are Lois Scott, Doris Lamberson, Farrie Hogan, Eleanor Leeper, Carol White, Pat Prinz, Alice Phillips, Carol Snyder, Lu Schlobohm, Gerry Deremo, Evelyn Prinz, Mary Drew and Mrs. Whitener. With an expected enrollment of about 200, many more helpers are needed. Enrollment may be made at the Church or by calling Mrs. Mary Drew at FR 8-3535.

NEW SUBDIVISION FOR SARATOGA AREA

County planners approved plans for a new 203 home subdivision on Saratoga avenue and a 106 home subdivision by Frank Crowhurst at Lark avenue and the Los Gatos-Saratoga Road.

BISHOP O'DOWD

Knights of Columbus, their families, and friends, are waiting patiently for Sunday, July 17 when the Council Picnic Barbecue will be held at Melody Ranch, Saratoga.

Food, Fun, and Frolic are the passwords and if you don't get some of each at that time you're just an old sourpuss—like a certain Grand Knight from that Council.

"Smiley" Ahearn and his committee are going all-out to make this a grand success. All is needed is your presence. Tickets can be purchased from any Knight or at the picnic grounds on Sunday.

CHRISTIAN WILDER TO HEAD COUNTY PLANNERS

County Planning Commission's new chairman is Los Altos builder Christian A. Wilder.

He has served for the past two years as vice chairman under San Jose architect Chester A. Root, whom he succeeds in the chairmanship.

Carroll Wentz, Gilroy businessman, is new vice chairman. The commission elected officers Wednesday.

Share Earnings Increasing For American Trustt

Deposits of American Trust Company on June 30 totaled $1,358,009,894.33 compared with $1,194,772,859.01 for the corresponding date in 1954.

Net current operating earnings for the first six months of 1955, after provision for taxes, amounted to $4,303,807.82 as compared with $3,015,996.31 for the corresponding period in 1954. Operating earnings were equivalent to $1.54 per share on the 2,781,250 shares now outstanding. This compares with operating earnings for the first half of 1954 of $1.50 per share on the 2,000,000 shares then outstanding.

After non-recurring items and transfers to valuation reserves, net profits amounted to $3,753,477.03 as compared with $2,800,182.15 for the first half of last year. Dividends of $1,891,229.20 were paid during the first half of 1955.

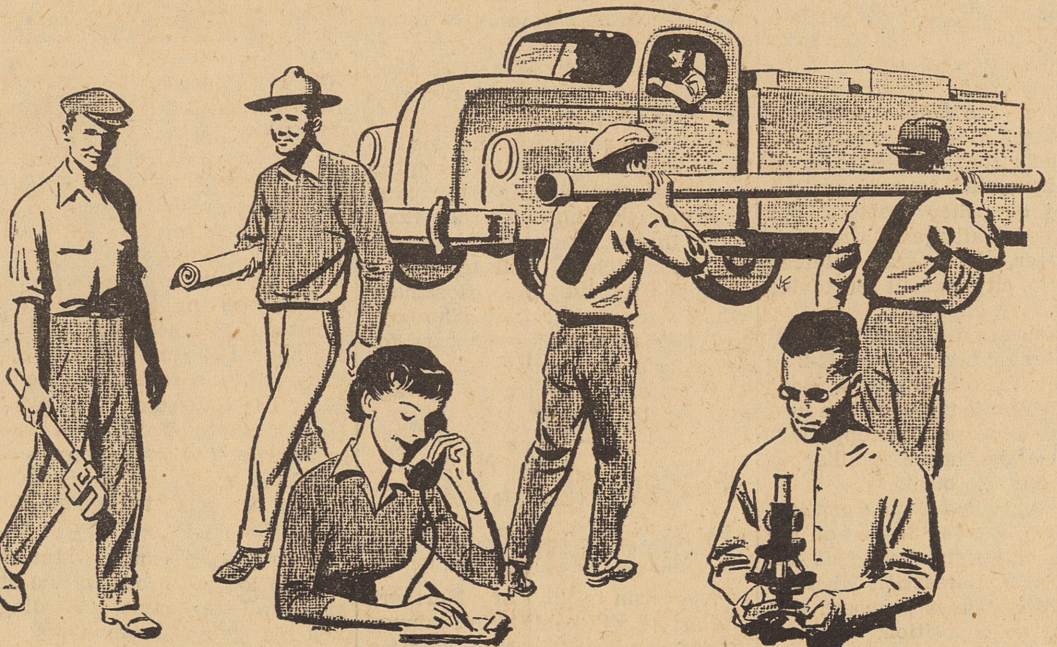
What It Takes To Supply Your Home With Water Every Day
By: Charles B. Parbury, Vice President and General Manager



FRIDAY, July 15, will be a regular working day for Ed Lyons. He'll be in charge of a maintenance crew on a repair job somewhere along our 800 mile network of water mains.

But this will also be a special day for Ed because just 20 years ago he joined us here at San Jose Water Works. Back in 1935 the players on the company ball club were glad to see him because Ed was known in San Jose as a mighty hitter and team player. Now 20 years later, his job illustrates the teamwork necessary in waterworks operation.

During an average day about 208,000,000 pounds of water are delivered to our customers and this "traffic" causes wear and tear on the pipes. Six maintenance crews keep the mains operating at peak efficiency and their "teamwork" is directed by radio from headquarters with valuable saving in travel time.

Ed Lyons knows the value of this teamwork—he tried out with the San Francisco Seals when he was 16, still plays once a year with the San Jose "Old Timers," and is remembered as the batter who hit the longest home run ever seen at Washington Park, Santa Clara.

And so for the kind of service for which San Jose Water Works has been known since 1866, we salute Foreman Ed Lyons on his 20th anniversary with us.

CAMPBELL REGISTER

Delbert Hollenberg, associate pastor for the Campbell Congregational Church returned Monday from a visit at the home of his parents, Professor and Mrs. George J. Hollenberg of Redlands who motored with him to Campbell then to Pacific Grove where Dr. Hollenberg is to instruct at the Hopkins Marine Station on oceanography. The station, which is an adjunct of Stanford University, is at the west end of Cannery Row and is replete with sea lions, walruses and a large assortment of sea life brought there by the merger of sea currents. Dr. Hollenberg is on the faculty of Redlands University.

CAMPBELL HIGH TEACHER, Claude Cunningham, his wife, Doris, and children spent a weekend at Loon Lake, which is about 40 miles west of Tahoe. Mrs. Cunningham says the road is so long and unimproved that when one once finally arrives at the Lake, one should be prepared to remain a month or so. The Cunningham's, who live on Paseo Pueblo, have three children: Phillis, Richard and Bruce.

Mr. and Mrs. Leland Jones of Kenneth Avenue have a real appreciation for California sunshine. They returned Saturday from a two week visit to the home of their daughter, Mrs. Katherine Ringer, in Bremerton, Washington, where they had a nice time playing with their baby grandson, Steven, even though it did rain all the time they were there. Mrs. Jones said it rained on them practically all the way home, through the states of Washington, Oregon and part of northern California. That is the reason she says it is so nice to come home and find the sun shining brightly.

Mrs. Alma Harrison of 234 N. Central and her sister, Mrs. Nell Mills of Seattle, Washington, are back home again after taking a vacation trip to Lake Tahoe where they visited their brother, Arthur J. Calder, who owns a Motel at the lake. They say they had a nice restful time.

The Ralph Weymouths and daughters Judy, Patty and Susan, of Rincon Avenue, have just returned from a cool vacation spot in Alpine County, in the northern part of the state, where Ralph did a lot of fishing and even caught one 16 inch cut-throat trout. The girls say they went horseback riding and took hikes, finding a rare sunflower on one, and an event they looked forward to at 4 o'clock every morning was the sound of the bells on a band of sheep which the shepherd drove by their cabin. Before returning home they took side trips to Reno and Virginia City.

10-YEAR OLD STARS FOR LITTLE LEAGUE

Lonnie Raymond, a 10-year old, got three hits in three times up for the Jay's Sheet Metal team in the game Tuesday evening at Campbell Little League Park although his team lost 3-0 to Mac's Market. Mike DiVita for Mac's got 2 for 3.

This game puts Mac's out in front in the second half of the schedule with a 2-0 record. Box score:

Duane Pillette of Cambrian Park who led the Baltimore Orioles in the 1954 season with a 3.12 earned run average and a 10-14 win-loss average, was optioned this week to the Oakland Oaks of the Pacific Coast League subject to a 24-hour recall. Pillette sustained an injury in Spring training and had not been able to hit his stride in the seven games in which he appeared.

Pillette first played Major League ball with the New York Yankees in 1949. The Yankees sent him to St. Louis Browns in a six-man trade in 1950 and he moved to Baltimore when the Brownie franchise was switched to Maryland. Pillette has a record of 38 victories and 66 losses as an American League pitcher.

Three-Day Tournament

AREA LITTLE LEAGUES IN PLAY-OFF TOURNEY HERE

All star teams from seven Little Leagues of the San Jose Area will meet in a three-day tournament at Little League Park at Campbell, July 27, 28, and 29, it was announced today by Guy Troedsen, director of the Campbell Little League. The two teams emerging at the top of this tournament will qualify to meet winning pair of teams in the Palo Alto Area and go on to national finals.

John Ezzie and Fred Remers are to coach the Campbell team. Leagues sending all star teams to Campbell for the tournament will be Santa Clara, Lincoln-Glenn, American League (Santa Clara), Willow Glen, Burbank, Gilroy and Campbell.

JOHN EZZIE SETS AMAZING PACE AS LITTLE LEAGUE PLAYER HERE

John Ezzie of the Western Gravel Team won batting honors for the first half play in Campbell Little League getting 12 hits in 23 times at bat for a .510 average. Louis Miranda, a team mate got ten hits in 20 times up for an even .500 and share second place with Mike DiVita of Mac's Market with 11 hits in 22 times at bat.

Rolly Johnson of Campbell Stampers had 10 hits in 23 times up for a .435 average, Randy Sutton also of the Stampers got 8 in 22 times up for a .364 average John Corvello 7 in 20 for .350 and Randy Willoughby 5 in 16 for a .313 average all for the Stamp Association.

Ray Papa got 9 in 22 up for .409, Ronnie Willett 9 for 24 for .375 and Gary Easthouse hit 8 in 25 times up for .320 for Mac's Market.

John Short hit 11 in 27 times up for .407 average and Manuel Puma hit 3 in 10 times up for .300 for Western Gravel.

Lonnie Raymond hit safely 7 times in 20 times up and Paul Tumason hit 9 in 28 times up for averages of .350 and .321 respectively for Jay's Sheet Metal.

John Ezzie not only walked off with the batting crown but he was the leading pitcher of the league with three wins and no losses and making a total of 58 strikeouts in 23 innings pitched. Only 10 runs were scored against him. He walked 14.

His team mate John Miranda also won three and lost none for a 1.000 average. Willett won 1 lost 0 for Mac's Market while teammate and captain, Ray Papa had two wins against two losses.

Raymond has a 3-1 record for Jay's Sheet Metal and Willoughby a 1-1 record for Campbell Stampers.

ALL - STARS WIN PONY LEAGUE TWILIGHT GAME

The Pony League all-star team bested the Campbell Kiwanis team 11-6 in a twilight game Tuesday evening on the High School diamond, the Kiwanians having won first half of the league schedule and the all-stars having been selected from other teams in the league.

Barry Hilton, Campbell Rotary hurler yielded three runs on three hits in the first inning then settled down for the next three. He fanned three and walked five in four innings.

The Miskulin-coached Kiwanis club picked up three more runs in the 5th off relief hurler Bob Whitewing of Bishop Hawaiians.

Campbell Lions Byron Hanson who was in center field for the all-stars was the hero at the plate with three hits in four times up. Ron Corbus, third sacker for Kiwanis, pitched five innings allowing four hits and fanning nine. Box score:

SAFEWAY STORES PLAN SUPERMARKET

A new shopping center built around a huge Safeway Store at El Camino Real and Lawrence Station Road, it has been disclosed.

The 10-acre plot was purchased for $250,000 from Bogdanich Construction Company, according to officials of Safeway Stores, Inc. Safeway plans a 20,000 square foot store to cost about $300,000.

Planned to service residents of Briarwood subdivision and other housing developments expected in the future, the center will be constructed within a year.

H. H. Baker, Safeway real estate manager, said that off-street parking will be provided for more than 259 cars.

The average depth of the Carribean Sea is 7270 feet.

CAR OVERTURNS

William Koeritzer, 17, of Harriett Avenue sustained scratches and bruises only when the car he was driving overturned near the Quito and Bucknall roads intersection after it apparently hit a soft shoulder.

LITTLE LEAGUE IS OFF TO GOOD START SECOND HALF SCHEDULE

Jay's Sheet Metal took a 5-2 game from Campbell Stamp Association on Saturday at Little League Stadium as pitcher Paul Tumason limited the Stampers to five bingles and himself hit three for three one of which was a two run homer. For the Stampers Randy Sutton got two hits. Box score:

PISTOL RANGE AT SARATOGA PROTESTED

A protest has been filed with the County Board of Supervisors against the proposed pistol range setup at a quarry site near Saratoga. Gilbert May of Big Basin Way claims there are two residences on his property adjacent to the quarry and shots sound echos in a disturbing manner. Board Chairman Walter Gaspar will discuss the matter with Sheriff Melvin Hawley, County Engineer Leonard Bushnell and County Executive Frank Thill.

An estimated 56,000 anglers caught 310,000 steelhead in California waters in 1953.

STEVE SKOLD SETS ANOTHER RECORD

At the Healdsburg swim meet last Sunday, Steve Skold, the fourteen year old Campbell flash, broke all listed records for the 100 yard free long course and turned in the fastest time of the day when he won the 14 year old class race with a time of 56.6'2.

Steve's new time beat the senior men's event won by Smith of Treasure Island, and that of the Pan-American swimmer from Yale who turned in the second best 100 yard time of 57.2'2.

There is only one fly in the ointment. The record will be recognized only as a swim meet record because the 50 yard course was found to be 6 inches short. All records at the meet were thrown out even though the six inch lack would have scarcely any effect on the time.

Mr. and Mrs. Donald William Hardy (the former Barbara Burns Enochs, who have returned to their home in Campbell after their marriage and honeymoon in Nevada.

Campbell Register

Mr. and Mrs. Walter Roggasch, Jr., June newlyweds, were honorees at a wedding shower given last Saturday evening at the home of Mrs. Rose Wrinkle of 27 N. First Street. Mrs. Wrinkle is Walter's grandmother and the shower was a family affair for all the relatives to meet the new bride. She was the former Beverly Hood of San Jose. The young couple are now making their home in Campbell.

Mr. and Mrs. Roy Thompson of 95 Christopher Avenue had as visitors through the week of Fourth of July, Mr. and Mrs. Freeman Thompson and son Gary from Council Bluffs, Iowa. This is the second trip to Campbell for the travelers and they aspecially enjoyed going to Big Basin. They left last Friday to return home.

The Tom Mikulins of Rosemary Lane report they had a grand time touring Texas and Mexico in their new blue and white station wagon. They were gone two weeks and then came home for a day or two before tearing off again for Reno. They say they are going to Reno again in a week or two.

An interesting sight Wednesday morning was the long line of at least a hundred Cherry Lane students walking along two by two, all carrying their lunches in paper sacks and headed for the Campbell Grammar School and the summer recreation program. At Campbell Avenue traffic was stopped while a pretty young woman in charge saw that all her charges got safely to the other side.

At the Aberdeen Proving Grounds in Maryland is Maj. Neal Royer who is there for a short refresher and will be back in time to take over his duties as principal of the new Dover School.

Emily McConnell, one of the coowners of Rachel's, is full of enthusiasm about the fishing and camping trip she is making next week to Johnsville in the Feather River Canyon. She will be accompanied on her back-to-nature venture by her daughter and son-in-law, Mr. and Mrs. Len Mayfield, and their two boys, Steven and Douglas.

Returnees after a month in Florida are Mr. and Mrs. Chester F. Kutzleb and their two children, Frank and Emilie. Mrs. Kutzleb's relatives live in Pensacola, which is on the Gulf of Mexico. The weather was just right, and swimming and fishing exceptional. The Kutzleb's have lived in Quito for a year, having formerly resided in Guam for two years. Mr. Kutzleb is a Navy Chief, now stationed at Moffett Field.

Dep. Pocahontas Raises Chiefs Of Netops Council

Mrs. David Cunha, deputy great Pocahontas, conducted the rites of raising of the chiefs of Netops Council No. 247, Degree of Pocahontas, Friday evening, July 8. Assisting in the roles of Great Mishenewas were Evelyn Della Santos, great aide and Esther Auser. First Great Trustee, Inez Means, gave the pledge of honor to the chiefs-elect.

Past Pocahontas Club members presented Mrs. Thelma Nelson, retiring Pocahontas, with a jacket emblematic of her service as presiding chief of the council. Mrs. Nelson also received a Past Pocahontas pin and gift from her officers; and her scrapbook from Mrs. Haller, who was publicity chairman for the past term.

At the close of the session, members and their guests were served refreshments by Mrs. George Reynolds and her committee.

Chiefs raised for the ensuing term are: Mesdames Donald Johnson, Pocahontas; Walter Lamb, Wenonah; Thelma Nelson, prophetess; Edna Black, Powhatan; Stanis Rohde, collector of wampum; Jess Peters, keeper of wampum; D. A. Gutierrez, keeper of records.

Warriors, Mesdames John Morris, Douglas Cleveland, Jean Jordan, Forrest Chapman; Scouts, Mrs. George Reynolds and Mrs. Mel Dorsett; Runners, Mrs. Delbert Blomquist and Mrs. Robert Loveday; Aides, Mrs. Phyllis Radford and Miss Rayetta Nelson;

Councilors Mrs. Alfred Amstutz and Mrs. George Wilson; Guard of the Forest, Mrs. Maxine Rains and Mrs. Lewis Haller; Third Trustee, Mrs. Maxine Smith.

Standing Committees for the term are: Mesdames Lewis Haller, Americanism; Walter Lamb, veterans welfare; Robert Loveday, child welfare; Ray Gilpatrick, publicity; Clarence Cole and Lewis Haller, finance; Delbert Blomquist, relief chief; and Clarence Cole, degree captain.

Representatives elected to Great Council are Mesdames Thelma Nelson, George Reynolds and Lewis Haller.

Court Approves New Damage Suit

A new trial for her damage suit has been approved for Mrs. Mildred Jordan, 33 of 360 East Campbell avenue who seeks $75,000 from Joseph Dye of Sunnyvale for injuries allegedly sustained December 26, 1952 in a car accident. Plaintiff says she was riding with her brother-in-law Claude Jordan of Campbell when the car in which they were riding was struck from behind by defendant's car near Mountain View.

In the first trial, Superior Court Judge Byrl Salsman ruled insufficient evidence to justify a jury verdict.

Del Hollenberg is back on the job after spending a week's vacation at the Congregational Church's summer camp at Cazadero in the northern part of the state. He also made a visit to his parents, Professor and Mrs. George J. Hollenberg in Redlands. While there he says he married off his sister, Ann, and sang at her wedding. On his return trip to Campbell he was accompanied by his father and mother who were on their way to Pacific Grove where Professor Hollenberg will teach at the college this summer.

QUITO CHURCH TO HAVE FUND RAISING EVENT

The Westhope United Presbyterian Church in Quito will have a fun, food and game event Saturday, July 23 at the Church, with the proceeds to help pay for the newly installed barbecue pit.

Tickets may be purchased for 25c from any church member, which buys one hamburger. Other food items may be bought at the church with dinner starting at 6:30 p. m.

Sponsored by the church's Men's Club, the general public is invited to participate in this event.

STEVEN ALLEN PARSONS

A son, Steven Allen Parsons, was born July 7 to Mr. and Mrs. Max L. Parsons of Saratoga. Grandparents are Mr. and Mrs. Clinton English of Saratoga. The baby was born at San Jose hospital weighing 6 pounds, 12 ounces. This is the first child in the family.

DEBRA DUC

Mr. and Mrs. Jules Duc Jr., 18747 Martha avenue, Saratoga, became the parents of a daughter, Debra, June 26, at San Jose Hospital.

MARY ANNE PERUSINA

Mr. and Mrs. Danford Peter Perusina, 14665 Kirk, Los Gatos, became the parents of a daughter, Mary Anne, June 28 at O'Connor hospital.

PALO ALTO ATTORNEY PLANS SHOP CENTER FOR LOS ALTOS AREA

A fifth shopping district for Los Altos area loomed today as Frank Crist, a Palo Alto attorney and realty investor, proposed that a strip he holds singly on the East side of Grant Road near Neston Way be annexed simultaneously with the 58 acre portion of the King Ranch which he holds with the Developer R. V. King.

Crist's property, zoned commercial by the county has 243 foot frontage on Grant Road and is 1000 feet deep.

The southern boundary of the United States is 2013 miles long.

Young Couple Is Wed In Double Ring Ceremony

The Reno Methodist Church in Reno, Nevada, was the setting chosen by Barbara Burns Enochs and Donald William Hardy for the mid-morning double ring ceremony that united them in marriage on June 18th. The Reverend Stephen C. Thomas officiated.

For her wedding, Barbara selected a long torso gown of white embroidered organza and wore a small veiled Juliet cap.

Matron of Honor, and only attendant of the bride, was her mother, Mrs. Mary C. Enochs, who wore a dress of beige lace and a flower-trimmed coronet hat.

The duties of best man were performed by Alfred Prevost, of Antioch, California.

The bride is the daughter of Mrs. Mary C. Enochs and the late William B. Enochs of Campbell, and the sister of William B. Enochs, Jr. She is a graduate of Campbell High School, attended College of the Pacific, and San Jose State where she is now a senior majoring in Education. She is a member of Bethel 174, Job's Daughters and a Past Honored Queen.

Donald is the son of Mr. and Mrs. Curtis I. Hardy of Antioch, California, and brother of Douglas and Joanne. He is a graduate of Antioch High, attended College of the Pacific and served three years in the Air Force. At the present time he is a graduating senior at San Jose State College majoring in Education.

Following the ceremony, a wedding breakfast was held at the Riverside Hotel in Reno after which the newlyweds left for a week's honeymoon trip to Las Vegas.

The evening prior to the wedding, a dinner party was held for the bridal party at the home of the groom's parents in Antioch, where the future bride and groom cut a four-tiered wedding cake made and decorated by Mrs. Alfred Prevost.

Included in the wedding party at Reno were: Mrs. Mary C. Enochs, Bill Enochs, Mr. and Mrs. Hardy, Miss Joanne Hardy, Douglas Hardy, and Mr. and Mrs. Alfred Prevost.

The young couple are now making their home at 240 S. Winchester Road.

Couple Planning August Wedding

Reverend and Mrs. Joyce W. Farr of San Jose have announced the engagement of their daughter, Janice, to John Herbert Emerson, also of San Jose. The young couple will be married August 7th.

Janice is the granddaughter of Mr. and Mrs. John Lynden of Campbell. Her fiance is attending the University of Washington, at Pullman, where he is majoring in chemistry.

PFC Carl T. Chapman, 21, son of J. M. Chapman, Campbell, is scheduled to leave Germany for the U. S. in July as part of Operation Gyroscope, the Army's new unit rotation plan in which the 1st Infantry Division is being replaced in Europe by the 10th Infantry Division. The two divisions are the first units to take part in the transfer plan.

WHEREAS, the Cambrian School District of Santa Clara County, hereinafter called "District", is the owner of the following described parcel of real property situated in said District, to-wit:

A parcel of land situate in the County of Santa Clara, State of California, being more particularly described as follows:

Beginning at a point, said point being located as follows: Commencing at an iron pipe set at the intersection of the line between the lands of Dickman and Steindorf with the Northwesterly prolongation of the centerline of Custer Drive, said iron pipe being distant North 28° 27' 14" West 256.09 feet from the Northerly terminus of Custer Drive as shown on that map of Tract No. 1162, Dry Creek Heights Unit No. 1, recorded in Book 44 of Maps at pages 6 and 7, Santa Clara County Official Records; thence South 68° 37' 26" West along said line between the lands of Dickman and Steindorf 636.53 feet to the true point of beginning of this description; thence from said point of beginning North 68° 37' 26" East 57.07 feet; thence at right angles North 21° 22' 34" West to the beginning of a curve, a tangent to the curve at this point having a bearing of North 68° 37' 26" East; thence along said curve to the right with a radius of 20 feet through a central angle of 82° 34' an arc distance of 28.82 feet; thence tangent to the preceding curve North 28° 48' 34" West 122.93 feet to the beginning of a curve; thence along a curve to the right with a radius of 1500 feet through a central angle of 27° 16' 42" an arc distance of 714.14 feet to a point of compound curvature; thence along a curve to the right with a radius of 20 feet through a central angle of 72° 36' 38" an arc distance of 25.35 feet, a tangent to the curve at this point having a bearing of North 71° 04' 46" East; thence North 18° 55' 14" West 30.00 feet to the centerline of Harris Avenue as said Avenue is shown on a map of the Ware Tract, recorded in Book C of Maps at page 45, Official Records of Santa Clara County; thence along the centerline of Harris Avenue, South 71° 04' 46" West 52.10 feet to the Northwesterly corner of that parcel conveyed by Steindorf to the Cambrian Elementary School District, said corner also being the beginning of a curve, a tangent to the curve at this point having a bearing of North 00° 20' 21" West; thence along said curve to the left with a radius of 1545 feet through a central angle of 28° 28' 13" an arc distance of 767.71 feet; thence tangent to the preceding curve South 28° 48' 34" East 180.00 feet to the point of beginning and being a portion of Lot 2 of the hereinabove mentioned Ware Tract.

WHEREAS, this Board of Trustees has determined that the said parcel of real property is not needed for school classroom buildings, or for any other school purposes now or at all; and

WHEREAS, this Board has determined that it is in the best interests of the said District that the easement over and in the said parcel of real property be sold to the highest bidder therefor,

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Board of Trustees of the District does hereby declare its intention to offer for sale and to sell easement over and in the above-described parcel of real property, subject to the terms and conditions as follows:

Said easement shall be for the right and privilege of excavating for and laying pipelines, together with all fittings, connections and appliances to be installed in connection therewith, and for the transmission and distribution of water and also for the right of maintaining, using and replacing and/or enlarging the same for such purposes, and also the right and privilege of re-laying, repairinng, removing and/or renewing the same using pipe fittings, connections and/or appliances either of the same size or sizes as may first be installed, or of any other size or sizes. Said easement shall also consist of a right-of-way along, upon, in, through and across the described property. Provided that this Grant of Easement shall not permit the purchaser thereof to construct or to permit to be constructed any building or any other structure on said described premises, and the purchaser shall make no excavation within, and shall plant no trees on, and shall not drill nor permit to be drilled any sort of well on the described premises.

AND BE IT FURTHER RESOLVED that this Board hereby sets the minimum price for the easement over and in the parcel hereinabove described as follows, in addition to which minimum price the purchaser agrees to pay all costs of advertising this Notice:

$10.00

AND BE IT FURTHER RESOLVED that this Board hereby fixes the 4th day of August, 1955, at the hour of 8 o'clock P. M. of said day, and the regular meeting place of this Board at Cambrian School, Campbell, County of Santa Clara, as the time and place at which sealed proposals for the purchase of the easement over and in the above-described parcel of real property will be received by this Board. And further provided that oral bids, if any, shall be submitted in accordance with Sections 18610 and 18611 of the Education Code of the State of California. This Board reserves the right to waive any and all defects in any and all bids, and further reserves the right to reject all bids.

This Board will not pay any broker's commission for the procuring of any proposal or proposals for the purchase of said easements to be sold in accordance with this Resolution.

AND BE IT FURTHER RESOLVED AND ORDERED that this Resolution and Notice shall be posted in three (3) public places in the Cambrian School District of Santa Clara County, as follows:

ONE at Cambrian School, 481 E. Casey Rd., Campbell, Calif.
ONE at Mac's Market, Union and Woodard Rds, Los Gatos, Calif.
ONE at Cambrian Hardware, S. J. L. G. Hwy., Campbell, Calif.

Said Notice is to be posted at least fiftten (15) days before the date set for the meeting at which sealed proposals are to be opened, and further, that this Notice shall be published once a week for three (3) successive weeks before the date of said meeting in a newspaper of general circulation in the District, to-wit: the Campbell Press.

PASSED AND ADOPTED by the Board of Trustees of the Cambrian School District of Santa Clara County, California, this 30th day of June, 1955, by the following vote:

Service Club Has Luncheon Installation

A handkerchief shower, honoring Edna Flagg, and the presentation of the gavel to Helen Rice, incoming president, were the focal points of the June 22 meeting of the Campbell Women's Service Club.

The annual potluck luncheon which preceded the business session was held at the home of Maude Ostermeier. Co-hostesses were Eleanor Becker, Muriel Carson and Alfreda Ruuge.

As an expression of appreciation for her two years service as president, Lucy Mitchell was presented with a cranberry hobnail glass pitcher by the group.

New officers to assist Helen Rice the ensuing year are Bernice Foreman, 1st vice-president; Eleanor Becker, 2nd vice-president; Veva Chamberlin, secretary; and Maude Ostermeier, treasurer.

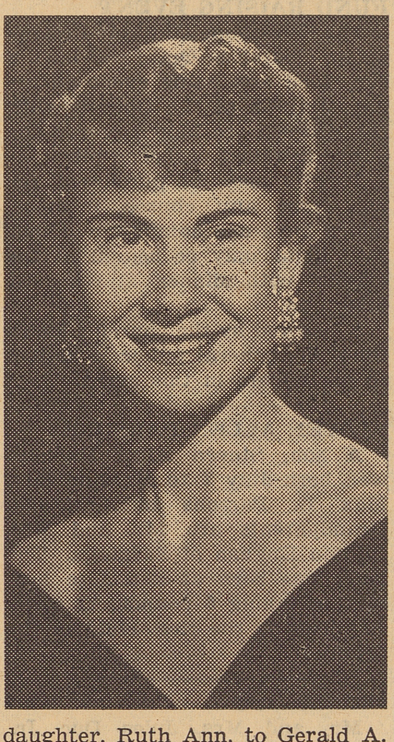
Santa Cruz Girl Engaged To Campbell Boy



Mr. and Mrs. E. Fred Senft, 694 Mt. Hermon Road, Santa Cruz, announce the engagement of their daughter, Ruth Ann, to Gerald A. (Jerry) Wegner, son of Mrs. William L. Clement, 714 Normandy Drive, Campbell. At the present time wedding plans are indefinite.

Ruth is employed by the Pioneer Investors Savings and Loan Association in San Jose. She is a graduate of Santa Cruz High School and attended Hartnell Junior College in Salinas.

Jerry is a graduate of Campbell High School and attended college one year before enlisting with the U. S. Navy. He has served in the Far East and spent a great deal of time in Pearl Harbor. While attached to the U. S. S. Rio Grande, he spent six months in Korea. He is now aboard the U. S. S. Aldura in Japan and will be discharged in January 1956.

GARDEN CLUB TO DISCUSS FAIR ENTRY

Campbell Garden Club will meet next Wednesday afternoon at the home of Mrs. Fred Seymour, 20298 Craigen Circle, Saratoga, at which time Mrs. Seymour, chairman of the Garden Club entry in the Santa Clara County Fair, will conduct a discussion on the subject. Mrs. M. B. Parker, president, announces the guest speaker will be Mrs. Fay R. Scoville of the Peony and Iris Gardens, who will demonstrate the division and propagation of Iris.

Hostesses for the day will be Mrs. Stanis Rohde and Mrs. A. F. Leal.

The patio at the home of Mrs. E. R. Miller on Westwood Drive was the locale of the last club meeting with Mrs. Charles Smith, Mrs. Robert Dunn, and Mrs. Herbert Binley acting as hostesses. Mrs. A. C. Drake conducted the question and answer period, and Mrs. Mary Triguero, who has a lovely garden on North Central Avenue, exhibited a beautiful specimen of crestigalis, commonly known as sea coral. This plant is native to Brazil and Mrs. Triguero grew it from seed. Now about five years old, it stands several feet high and is covered with deep coral colored blossoms.

Mrs. T. F. Totaro reported on the club's participation in the Fourth of July Carnival at Agnew and stressed the need for greater cooperation in such projects.

Mrs. Paul Ruech was an invited guest of the club.

INK STAINS

By HELEN McLEOD

THERE MUST BE SOMETHING in mental telepathy. I was just about to write about the return after a year's absence of James Steele to his McCulloch Avenue home, when one of his neighbors called about him. I had already heard about it from Isabel Pechin. Kathy Steele, the wife, was visiting the Pechins, along with son Johnny. A McCulloch Avenue neighbor called Mrs. Pechin to ask if by chance Mrs. Steele was visiting there and on learning she was, the neighbor told Mrs. Steele that she had better hurry home. There was a man in the Steele house, and either the husband had arrived unexpectedly or a burglar had broken in. In either event, the neighbor assumed Mrs. Steele would like to come home and investigate the situation. Of course, it was Mr. Steele, who will remain in Quito until July 25 while awaiting new orders.

TILLIE COWES, the specialist in Hawaiian luau's, is cook-manager at Campbell Elementary School, and not Quito, as was indicated in an article last week. Mrs. Cowes is going into her 13th year at Campbell and serves between 600 and 650 lunches daily.

STEPHEN R. KIDD of Martha Avenue really would like to live in Anchorage, having spent some time in that Alaskan town with the Army Engineers a few years ago. The most snow he ever saw was two or three inches, and the weather throughout the year is most equitable. And it's true about the midnight sun—one may read a newspaper on the street at midnight. Mr. Kidd is now District Sales Manager for Homestead Bakery in Redwood City.

WHEN SERIOUS ART meets the zany, the expected happens. Something gave on TV program "San Francisco Tonight" when a trio representing Montalvo's Music Festival were interviewed. Mrs. Jane Gilbert, publicity chairman, started out most valiantly to explain what was happening at our local cultural center this week. She mentioned Gabor Rejto and Adolph Baller's chamber music recital last Sunday, then the announcer took over and punned for a while about chamber music, then went on to inform the audience that he was going to the races. Mrs. Gilbert parried back with a great deal of poise and wit and seemed quite unperturbed. When the master of ceremonies got around to Miss Margaret O'Donnel, El Quito Park teacher and singer in the operetta "Smokey Mountain", he found it impossible to disconcert this charming young lady. He asked Miss O'Donnell if she were a good singer, and the entire audience applauded when she gave the only possible answer, that she could sing very good. She refused her interviewer's request that she sing just one high note, with the assurance that she wished to encourage and not repel, attendance at the Montalvo event.

AL FICHERA on Martha Ave., just spent a week with his family in Southern California. There were so many highlights of this interesting trip, that Mrs. Fichera had difficulty in selecting one. The trip to Catalina, with the cruise of the island on land and sea, was thrilling, particularly the glass-bottom boat observation of the undersea gardens. Then there was Knott's Berry Farm and Tia Juana—with its districts of lovely homes, which most tourists don't see because of a reluctance to leave the intriguing downtown area. Several TV shows were attended, including **Pinky Lee and Juke Box Jury.** They made a tour of the stars' homes, and when they arrived at that of Danny Thomas', the two childen rang the bell, and were most graciously allowed by Mrs. Thomas to talk to her husband, who gave them an autograph.

THE WILLIAM MADEIRA'S on Devon gave a party for little Maggie Ann, with a goodly crowd of little ones helping to enliven this birthday celebration.

MRS. BARBARA CLOSE IS leader of a newly formed group of Blue Birds, composed of second graders at Quito who go into third in the fall. Girls in the group are Sandra Wardell, Melanie Close, Kathy Atherton, Lynn Patrick, Janiece Towne, and Sidney Destain. Mrs. Barbara Towne is assistant leader.

MANY PEOPLE ARE ENJOYING SWIMMING and picnicing at Saratoga Springs. Some of the families who have been to the resort lately are the James Tiffany's of Paseo Flores, and Jane Drees with son David. Harry Drees is out of town for a while, so Mrs. Drees made this trip with Mrs. Annette Riordan, and her two children—Timmy and Kathy. After an overnight stay at Big Basin, Mr. and Mrs. Phillip Drew and three children swam and barbecued at this Spa. The Robert Platners spent a day at Portola State Park with their three children. Many of the residents are getting giant size portable swimming pools, two such families being Mrs. C. Reynolds and the W. L. Archibalds.

Officials Pay Visit To Ada Rebekah Lodge

Mrs. Ormand Luepke, president of District 3, accompanied by her marshal, Mrs. Richard Foster, paid her first official visit last weekend to the Ada Rebekah Lodge. Mrs. Joe Meckler, noble grand, presided over the meeting which was also "Guest Night" for many visitors from neighboring lodges.

The district deputy gave a resume of the Rebekah goals for the coming year, and stressed the theme, "A Garden of Happiness", being used this term by Mrs. Everett Fream, president of the Rebekah Assembly, saying it is a wise virtue to practice friendliness toward each other. To complement her theme, Mrs. Fream has chosen the carnation as her flower and purple and lavender as her colors.

The hall was attractively decorated in a Fourth of July theme using summer flowers of red, white and blue. The Past Noble Grands Club were in charge of decorations and refreshments.

Imitation fire crackers decorated the social hall and smaller ones served as individual candy dishes.

Visiting Noble Grands present from neighboring lodges were Mesdames Ernest Kiesel, Sven Haug and Glen Balcon.

Visiting Vice Grands were Mesdames Paul Reising, Sal Brunette, Andrew Harther, Larry Reed, H. C. Parker, Charles Arnold, Anthony Coit, and the district deputy marshal, Mrs. Richard Foster.

Other guests of the evening were Mesdames Gene Rumvrill, chaplain of Cypress Lodge, Pacific Grove; Charley Stewart from Mill City, Oregon; Ida Bruegge, William Erickson, Sadie Hall, Harry Vinyard, Mervin Jacobson, Ella Ganser, Ella Angell; the Misses Marilyn Preston and Ruth Bettinger; and Messers. Don Keener, Paul Williams and Charles Page.

NETOPS HOLD ANNUAL PICNIC

The annual picnic sponsored by Netops Council No. 247, Degree of Pocahontas was held Sunday, July 10, at Uvas Dam. Members, their families and friends, enjoyed a day of festivities which included swimming, games and a potluck lunch.

Attending were the following members and their families: Mesdames D. A. Gutierrez, George Reynolds, Donald Johnson, Stanis Rohde, Carmin Falco, Thelma Nelson, Phyllis Radford, Ray Gilpatrick, Clarence Cole, John Morris, Maxine Smith, Jess Peters, Forrest Chapman, and Miss Rayetta Nelson.

Guests of the council were Mr. Elver Weeks, and Mr. Sonny Storme.

to every woman who is tired of cooking every day

You can cut your kitchen time at least in half—by following this simple concept of cooking in quantity...and freezing for future meals

Here's all you do. Whenever you're preparing food—whether it's a complete dinner, a cake, applesauce, just about anything—simply double or triple your recipe as you wish.

And in one operation you've prepared several extra servings, to store for future meals, in your freezer. They will stay fresh and flavorful for months in a freezer—ready to heat and take to the table, any time!

You save shopping time, too—because you can buy in quantity for a freezer. Economize, by taking advantage of sales and specials . . . stocking up on seasonal foods when prices are lowest. And perishables like strawberries, corn, peaches, green beans are always on hand—to bring more variety to all your means, all year round.

FRUIT
BERRIES

You can find the size and style freezer to fit your family's needs. And easy payment plans can be tailored to fit any budget. Freezers are economical to run, too, thanks to P. G. and E.'s low rates. Why not make your investment in new hours of freedom from kitchen work, right now. See your appliance dealer about new freezer today—plan to freeze yourself some spare time (lots of it!) starting tomorrow.

Ex-Teacher Opens Saratoga Toy Shop

Mrs. Marion Richards is the proprietor of the newly opened toy shop which is located in Saratoga on Oak Place opposite the Saratoga Federated Church.

The shop is called "The Play Shop", and features the principle that toys can be fun and develop talents, too. Educational toys and games, books and crafts are available here for children from the ages of one to sixteen.

Mrs. Richards, whose husband passed away a month ago, has lived in Saratoga since February and has a 10 month old daughter, Nina. Mrs. Richards has taught school in the East for a number of years, and attended a number of universities, including, Cornell, Calumbia and University of Chicago. With this impressive record, she is still just a young woman in her early thirties.

KNTV PREPARES FOR VALLEY TV PROGRAMS

Tower construction workers, supervised by RCA engineers, have erected an antenna on top a tower on the peak of Loma Prieta in the Santa Cruz range from where KNTV will offer complete VHF television service to everyone in the Central Coast Counties area by September 1.

"We had anticipated our tower and antenna, a combined weight of approximately thirty ton with a total height of 291 feet above ground-level and 4,079 feet above sea level, would not be completed before the end of this week," said A. T. Gilliland, president of Standard Radio and Television Company, which will operate KNTV.

"However, the huge task has been finished several days ahead of schedule, and we are more confident than ever that Channel 11 will be presenting programs to the people of Santa Clara, Monterey and San Benito counties with a Class A signal by September 1."

California's 1954 production of petroleum was 357,000,000 barrels, valued at $893,000,000.

Cash Offered For Top Talent At San Mateo Fiesta

Top talent for '55 is wanted for the San Mateo County Fair and Floral Fiesta to be presented one night only, August 9. A tryout will be held Tuesday evening, July 19 at the fairgrounds. Competition is open to amateur, semiprofessional and professional talent of 14 years and older, and residence is unrestricted. Fifty dollars in cash will be awarded by the Fiesta to each act chosen at the audition to appear on the show, and an additional $50 will be awarded the act which, in the opinion of judges on August 9, demonstrates the best stage presence, ability and audience response.

To Break Ground With Gold Shovel For Macy's Store

Ground will be broken with a special gold shovel for a new Macy's California store, first unit of the Valley-Fair Shopping Center on Stevens Creek Road, next Wednesday at 4 P. M.

Edward F. Ryan, president of Valley-Fair, and Ernest L. Molloy, president of Macy's California will officiate at the ceremony along with Edward T. Haas and Robert M. Haynie, firm partners and general contractors for the center.

Macy's California will occupy 150,000 square feet of the total 475,000 square feet of merchandising area at Valley-Fair. The project includes seven tenant buildings and 65 other stores surrounded by a parking area for 2500 cars, with a daily turnover capacity of 12,000 cars.

Republican Group Plans A Barbecue

Luther Lincoln of Oakland, Speaker of the State Assembly, is to be the speaker July 23 when the Santa Clara County Republican Assembly has its annual summer barbecue at the Hillsdale Farm on the Monterey highway.
